# Monterey County Department of Emergency Management Disaster Resource Directory

This Resource Directory is intended to provide members of the Monterey County community with important contact information for organizations and agencies involved in providing disaster assistance during and after emergencies of all kinds. For ease of use it is organized by needs as shown in the left-hand column. The information provided is current as of the publication date shown on the cover.

The Directory provides contact information for commonly known providers of disaster resources operating in Monterey County. It does not include all available resources that may be present in the county, region, or state. Additional resources will be added as they are identified. The Department of Emergency Management updates the guide on a periodic basis; however, resource and contact information are subject to change without notice.

We hope you find this guide valuable in your emergency preparedness, mitigation, response, & recovery efforts. If you have validated information on unlisted disaster organizations or resources, please provide us with the appropriate information as shown in the guide, to include in the next update. Submit to:
