Citizen Data Collection			Date:	9/5/2022							
OCR Congestion: number of times the mouth of Old Coast Rd is blocked in such a way that a vehicle cannot get in or out in an emergency											
# of times Hwy Traffic Stopped: number of times a car stops in Hwy long enough to cause at least one other car to stop behind them (may cause or be caused by another issue; if so, count all relevant categories)											
# of times Car Parked Over Fog Line: number of times a car stops over the fog line in either lane long enough to cause at least one other car to stop (which also counts as a "Hwy Traffic Stop") or go into other lane to pass											
# of People Crossing Hwy: number of people crossing from the East side to the West side of the Hwy only											
# of times Cars slowed due to pedestrian behavior: pedestrian behavior includes crossing/blocking the Hwy, standing in Hwy to take pics/selfies, etc											
West Parking Area Full (Y/N):											
# of People: number of pedestrians West of Hwy in the entire viewing area (may need to divide North & South of the boulders between two observers). Count every ~5 mins & input each separated by commas											
Visit Time: every 5-10 mins, keep track of one person or car & note time elapsed between arrival & departure; input each separated by commas											
Law enforcement present (Y/N): note how long they were there & effects of presence, if any (use "Other" if space is needed)											
Why are you here?: if time/focus allows, ask willing visitors why they're here, how did they hear about Bixby, etc, & summarize their answers											
Other: unique occurrences like: locals behaving badly (laying on horn, driving dangerously); injuries ("visitor injures self jumping over guard rail to cross Hwy"); longer-than-average visit time (eg: picnic, photoshoot, etc); larger-than-average visitor numbers (eg: tour bus, wedding party, etc); overnight camping; other unique
