Citizen Data Collection			Date: 8/30/2022								
<b>OCR Congestion:</b> number of times the mouth of Old Coast Rd is blocked in such a way that a vehicle cannot get in or out in an emergency											
<b># of times Hwy Traffic Stopped:</b> number of times a car stops in Hwy long enough to cause at least one other car to stop behind them (may cause or be caused by another issue; if so, count all relevant categories)											
<b># of times Car Parked Over Fog Line:</b> number of times a car stops over the fog line in either lane long enough to cause at least one other car to stop (which also counts as a "Hwy Traffic Stop") or go into other lane to pass											
<b># of People Crossing Hwy:</b> number of people crossing from the East side to the West side of the Hwy only											
<b># of times Cars slowed due to pedestrian behavior:</b> pedestrian behavior includes crossing/blocking the Hwy, standing in Hwy to take pics/selfies, etc											
<b>West Parking Area Full (Y/N):</b>											
<b># of People:</b> number of pedestrians West of Hwy in the entire viewing area (may need to divide North & South of the boulders between two observers). Count every ~5 mins & input each separated by commas											
<b>Visit Time:</b> every 5-10 mins, keep track of one person or car & note time elapsed between arrival & departure; input each separated by commas											
<b>Law enforcement present (Y/N):</b> note how long they were there & effects of presence, if any (use "Other" if space is needed)
