## REPORT OF THE MANUAL TALLY

EAST GARRISON COMMUNITY SERVICES DISTRICT ELECTION

AUGUST 29, 2017

**1% Manual Tally of Paper Ballots:** The 1% manual tally is defined by Election Codes §336.5 as the public process of manually tallying votes in one percent of the precincts, selected at random by the election official and in one precinct for each race not included in the randomly selected precincts. This procedure is conducted during the official canvass to verify the accuracy of the automated count. This tally includes paper ballots cast at the polling place or by mail.

In this election, 100% of ballots cast were hand counted by a counting board.

**100% Manual Tally of Electronic Ballots:** Under the Top to Bottom Review and conditions set by the Secretary of State of California to use AVC Edge II touch-screen voting machines in an election, it is required that 100% of the votes be manually tallied and results compared to the machine's results.

**Results of the 100% Manual Tally of electronic ballots:** During the 100% manual tally, the Department encountered no variances. This verified the results of each AVC Edge II (touch-screen) voting machine are accurate.
