

ORDINANCE NO. _____

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA,
AMENDING TITLE 20 (COASTAL ZONING) OF THE MONTEREY COUNTY
CODE RELATING TO VACATION RENTALS**

County Counsel Summary

This Ordinance amends numerous definition and zoning district use sections of Title 20 and adds Section 20.64.290 to the Monterey County Code to regulate the short-term vacation rental of residential property. This Ordinance aims to strike a balance, allowing residents of unincorporated Monterey County to benefit from the tourism economy while ensuring that residential neighborhoods are protected from the potential negative social and behavioral impacts of short-term vacation rentals. This Ordinance details which zoning districts allow short-term vacation rentals. This Ordinance requires a coastal development permit for commercial vacation rentals that have similar land use impacts to a visitor/serving use, such as hotels, motels, inns, and lodges. This Ordinance further requires that short-term vacation rentals meet certain operational requirements and safety and health standards that reflect their potential impacts. Lastly, this Ordinance contains the process for phasing out unpermitted commercial short-term vacation rentals.

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Findings and Declarations.

A. Pursuant to Article XI, Section 7 of the California Constitution, the County of Monterey (“County”) may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its residents.

B. This Ordinance is intended to provide regulations, standards, and circumstances under which short-term vacation rentals may be allowed in certain residential unincorporated areas of Monterey County.

C. The intent of this Ordinance is to distinguish between three types of short-term vacation rentals, commercial vacation rentals, limited vacation rentals, and homestays, such that commercial vacation rentals require a discretionary land use entitlement while limited vacation rentals and homestays are defined in a manner to be similar in character, density, and intensity to residential use, are not anticipated to remove long-term housing from the market, and therefore are allowed uses, where applicable, with a vacation rental operation license, business license, and transient occupancy tax certificate.

D. Regulation of commercial vacation rentals is necessary because they have the potential to impact the character and intensity of an otherwise residential use. Impacts include, removing long-term housing from the market, or posing hazards to public health, safety and general welfare in areas known to have infrastructure limitations. Commercial vacation rental uses, therefore, may be allowed, where applicable, only with a discretionary coastal development permit, vacation rental operation license, business license, and transient occupancy tax certificate. This Ordinance recognizes that unique neighborhoods with existing developments were established with the intent of managed short-term rentals, such as Monterey Dunes Colony, and these developments are exempt from the regulations set forth in this Ordinance, including the need to apply for a vacation rental operation license. Such developments are not exempt from compliance with Chapter 5.40, requiring payment of transient occupancy tax, and Chapter 7.02, requiring a business license.

E. Homestays, commercial vacation rentals, and limited vacation rentals do not count towards any visitor-serving units or guestroom caps established by Monterey County Code, Monterey County Coastal Implementation Plan, or Monterey County Land Use Plan.

F. This Ordinance establishes the requirement for a coastal development permit for commercial vacation rental activities to enable evaluation of the impacts of such activities, in recognition that commercial vacation rentals may have similar land use impacts as other recreational/visitor-serving uses such as hotels, motels, and bed and breakfast facilities and deserve similar evaluation as such visitor-serving uses.

G. Because the nature and extent of short-term vacation rentals have been transformed in the last several years due to the advent of online platforms, this Ordinance intends to establish regulations for limited vacation rentals, commercial vacation rentals, and homestays. Accordingly, this ordinance intends to add Section 20.64.290 to the Monterey County Code to establish regulations for vacation rentals.

H. To allow for a reasonable amortization of investment for existing short-term vacation rental operations, this Ordinance provides an initial defined time period during which an unpermitted vacation rental may continue to operate, provided the vacation rental activity was established prior to the effective date of the Ordinance and the operator is pursuing all necessary County permits, licenses, and entitlements pursuant to Section 20.64.290 of the Monterey County Code.

I. The County has reviewed the Final Environmental Impact Report (“EIR”) for the project, which consists of the Draft EIR and the responses to comments on the Draft EIR. The County has exercised independent judgment in accordance with Public Resources Code section 21082.1(c)(3) in retaining its own environmental consultant in the preparation of the EIR, as well as reviewing, analyzing, and revising material prepared by the consultant. Having received, reviewed, and considered the information in the Final EIR, as well as all other information in the record, the County hereby makes findings pursuant to and in accordance with Public Resources Code sections 21081, 21081.5, and 21081.6. In accordance with California Environmental Quality Act (“CEQA”) and the CEQA Guidelines, the County agrees that no findings of fact is

required because no impacts were identified with the implementation of the proposed regulations. The Final EIR for the Vacation Rental Ordinances project (SCH # 2022080643) has been completed and certified in compliance with CEQA prior to the adoption of this Ordinance and reflects the independent judgment and analysis of the County of Monterey.

J. The County intends to carry out the amendments in a manner fully in conformity with the Coastal Act.

K. This Ordinance amends the Monterey County Coastal Implementation Plan, which is part of the County's Local Coastal Program. Pursuant to the Coastal Act, the County may amend the certified Local Coastal Program provided the County follows certain procedures. The procedures include the following: the County's Planning Commission holds a notice public hearing and make a recommendation to the Board of Supervisors on the proposed amendment; the Board of Supervisors holds a noticed public hearing, adopts a resolution of intent, and submits the proposed amendment to the California Coastal Commission for certification together with materials sufficient for a thorough and complete review; the Coastal Commission certifies the amendment; the Board of Supervisors takes subsequent final action on the ordinance after the Coastal Commission acts; and the Coastal Commission confirms the County's action. Accordingly, this Ordinance will not go into effect until after the Coastal Commission certifies the amendment and confirms the Board's action.
