PRESS RELEASE

PAJARO COMMUNITY
SALINAS ROAD AND PORTER DRIVE PROJECT
PROJECT NO. 1175
Revised Completion Date

The construction work on County of Monterey's Salinas Road and Porter Drive Project has been rescheduled to be completed on **May 14, 2026**. The construction is scheduled to take 1 working day to complete. The current ambient temperature is slightly colder than required for the micro surfacing to cure adequately.

Revised Work Schedule: May 13 - 14, 2026

- Placement of micro surfacing across the entire width of Salinas Road and Porter Drive, between Railroad Avenue and San Juan Road.
- Placement of new striping along the entire length of Salinas Road and Porter Drive, between Railroad Avenue and San Juan Road.
- **Construction hours are between 8:00 PM and 5:00 AM. Access to residences may be temporarily impacted during construction and should expect delays.**
- Residents are encouraged to park in alternate locations in advance.

Monterey County will make every effort to keep the community updated on the progress of the work and the impact on traffic.

The estimated construction cost is approximately \$800,000. This project is funded by Measure X, and Highway Safety Improvement Program (HSIP).

Graniterock Company is the prime contractor on this project.

Stay Informed

For updates on this and other road projects, visit the Monterey County Public Works website at <https://www.countyofmonterey.gov/government/departments-i-z/public-works-facilities-parks/public-works/road-closures-information> or call (831) 755-4800.

We appreciate the public's patience and cooperation as we work to improve local infrastructure.

COMUNICADO DE PRENSA

PAJARO COMMUNITY PROYECTO SALINAS ROAD Y PORTER DRIVE PROYECTO N° 1175

Fecha Revisada de Finalización

Las obras de construcción en el proyecto de Salinas Road y Porter Drive del condado de Monterey se han reprogramado para finalizar el **14 de mayo de 2026**. La construcción está programada para durar un día laborable. La temperatura ambiente actual es ligeramente más baja de lo necesario para que el microrecubrimiento cure adecuadamente.

Horario de trabajo revisado:

Del 13 al 14 de mayo de 2026

- Colocación de microsuperficies a lo largo de toda la longitud de Salinas Road y Porter Drive, entre Railroad Avenue y San Juan Road.
- Colocación de nuevas franjas a lo largo de toda la longitud de Salinas Road y Porter Drive, entre Railroad Avenue y San Juan Road.
- **El horario de construcción es entre las 8:00 P.M. y las 5:00 A.M. de la mañana. El acceso a las viviendas puede verse afectado temporalmente durante la construcción y se deben esperar retrasos.**
- Se le recomienda a los residentes a estacionarse en lugares alternativos con anticipación.

El condado de Monterey hará todo lo posible por mantener a la comunidad informada sobre el progreso de las obras y el impacto en el tráfico.

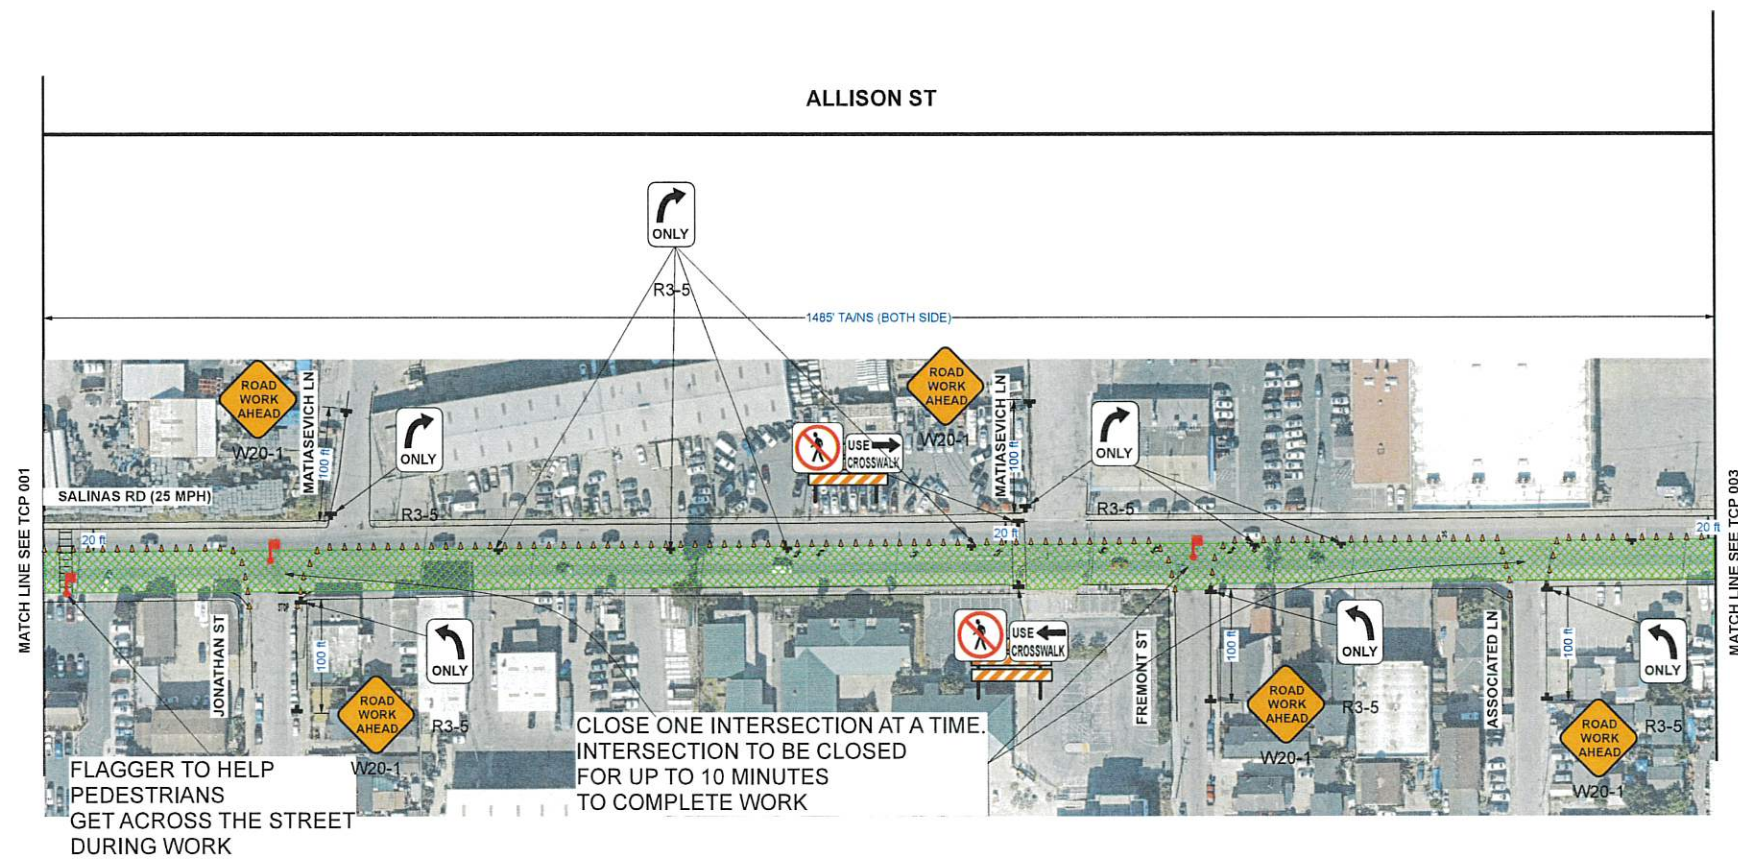

El coste estimado de construcción es de aproximadamente 800,000 dólares. Este proyecto está financiado por Measure X, y Highway Safety Improvement Program (HSIP).

Graniterock Company es el contratista principal de este proyecto.

Mantente informado

Para actualizaciones sobre este y otros proyectos viales, visite la página web de Obras Públicas del Condado de Monterey en <https://www.countyofmonterey.gov/government/departments-i-z/public-works-facilities-parks/public-works/road-closures-information> o llama al (831) 755-4800.

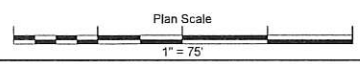

Agradecemos la paciencia y cooperación del público mientras trabajamos para mejorar la infraestructura local.
