PRESS RELEASE

**CARMEL AREA
RIO ROAD RESURFACING PROJECT
PROJECT NO. 450002
Revised Completion Date**

The construction work on County of Monterey's Rio Road Resurfacing Project between Atherton Road and Birch Place has been rescheduled to occur overnight on **May 14 - 15, 2026**. The work is scheduled to take **1 day** to complete. The current ambient temperature is slightly colder than required for the micro surfacing to cure adequately.

Revised Work Schedule: May 14 - 15, 2026

- Placement of micro surfacing across the entire width of Rio Road between Atherton Road and Birch Place.
- **Access to residences may be temporarily impacted during the construction hours between 7:00 PM and 5:00 AM and should expect delays.**
- Residents are encouraged to park in alternate locations in advance.
- Emergency access will be maintained through the construction zone as needed.

This project is funded by Measure AA, with an estimated construction cost of approximately \$400,000. Graniterock Company is the prime contractor for this project.
