

TABLE 2: SITE SPECIFIC RECOMMENDATIONS FOR SHORELINE ACCESS (as modified)¹

ACCESS Map #	DESTINATION Name	PRIORITY ²	PROVISION/ACQUISITION/MANAGEMENT OF ACCESSWAYS	IMPROVEMENTS	ACCESS CONSTRAINTS
1	Otter Cove				
	1. Malpaso Beach	2	<u>Secure offer of</u> dedicated access.	Improve trail, parking.	
	2. Otter Cove	3	<u>Secure offer of</u> lateral access.		Discourage informal access.
	3. South of Otter Cove	<u>1</u>	Secure access through permits. Develop scenic overlooks.		
2.	Doud Property				
	1. Sobernanes Point	<u>1</u>	<u>Complete State Park acquisition</u>		Discourage informal access. Limit access to sensitive marine habitats. <u>Avoid con-</u> <u>flicts with Fish and Game Lab.</u>
	2. Granite Canyon	<u>1</u>	Maintain access for rock climbers.		
	3. Garrapata Beach	1	Provide management to reduce existing impacts.	Improve trails. Develop <u>parking</u> out of view.	
3.	Kasler Point	2	Maintain Abalone Cove Overlook. Obtain already dedicated lateral access. Obtain shoreline access.	Improve trail.	Limit access to sensitive marine habitat.
4.	Rocky Point	2	Obtain lateral access.	Improve trail, use of parking lot. Realign road for safety.	
5	Palo Colorado	<u>2/3</u>	Obtain lateral access from Rocky Point. Develop scenic overlook at Notley's Landing.	Improve trail along bluff, parking at Rocky Point.	<u>Avoid interference with agricultural</u> <u>use.</u>
6	Rocky Creek	3	<u>Obtain vertical and lateral access.</u>	Major improvements to trail for safety erosion.	Discourage informal access.

¹Note: This Table originally from Shoreline Access Draft Background Report.
Modified language is underlined.

²See LUP for list of priorities.

ACCESS Map #	DESTINATION Name	PRIORITY ²	PROVISION/ACQUISITION/MANAGEMENT OF ACCESSWAYS	IMPROVEMENTS	ACCESS CONSTRAINTS
7	Bixby Creek	2	Provide management for pullout and trail. Arrange with CalTrans for formal public use. Develop scenic overlook.	Improve trail. Provide facilities for overlook.	Discourage informal trails.
8	Hurricane Point	3	Obtain a bluff top access. Obtain lateral access from Bixby Creek.	Improve overlook for safety. Major improvements to bluff top trail.	Discourage informal trails and trails to shoreline. <u>Avoid</u> interference with agricultural use.
9	Little Sur River	<u>1</u>	Provide management. Acquire as a State Park.	Improve trails. Develop facilities out of view.	Regulate access to sensitive habitats: sand dunes, wetlands.
10	Point Sur	2	Obtain access to northern beach. Acquire Pt. Sur if it becomes surplus. <u>Extend lateral access southward when military security allows.</u>	Develop trail at northern end. Develop parking.	<u>Avoid military security conflicts.</u> <u>Avoid</u> interference with agricultural use.
11	Swiss Canyon	2	Provide management as an extension to Molera State Park. Obtain vertical access to False Point Sur and beach.	Develop trail near Swiss Canyon. Develop facilities in cypress grove. Improve parking. Improve access from Molera State Park.	Separate trail from agricultural activities. <u>Limit</u> access to wildlife habitat.
12	Molera State Park	1	Increase management to reduce hazards and resource impacts. Emphasize resource protection and natural character of Park unit.	Improve trail to Swiss Canyon. Improve trails on south side of Big Sur River. Improve trail to Pfeiffer Beach.	Restrict camping outside of camp ground. Discourage informal trails on bluff face above beach. <u>Limit</u> numbers of visitors and level of development.
13	Pfeiffer Beach	1	Provide management for access trails. Monitor visitor capacity. <u>Provide</u> bluff top access to Molera Park.	Investigate foot trail along Sycamore Canyon Road. Improve trail to Molera Park. Maintain existing parking lot unless beach and road can tolerate increased use. Investigate use of temporary entrance station. Post signs in accordance with signing system.	Discourage trespass onto private lands. <u>Limit</u> number of visitors to capacity of road and parking.

ACCESS Map #	DESTINATION Name	PRIORITY ²	PROVISION/ACQUISITION/MANAGEMENT OF ACCESSWAYS	IMPROVEMENTS	ACCESS CONSTRAINT
14	Wreck Beach		Secure offer for beach dedication and road access rights; postpone public use pending suitability evaluation.	If access deemed suitable in future; improve road and trail, develop parking out of view.	Discourage access from Pfeiffer Beach
15	Coastlands		Retain existing access through Coastlands and Nepenthe or allow by permission of residents. Develop access through Mule Canyon.	Improve trail through Mule Canyon.	Discourage trespass on to private property. Limit levels of use.
16	Castro-Grimes	3	Maintain current access to Fuller's Beach. Investigate use of private road at north end of beach. Develop scenic overlook.	Improve parking. Develop parking for access at north end. Post signs for littering, resource impacts, and hazards.	Discourage vertical access north and south of Fuller's Beach.
17	Grimes-Partington		Develop scenic overlooks.	Improve selected pullouts for use as overlooks.	Eliminate informal trails
18	Partington Canyon	1	Monitor effects of visitor use on ASBS and riparian corridor. Maintain current level of access. Develop scenic overlook.		
19	J. P. Burns State Park	-	Maintain existing overlook. Develop other scenic overlooks in park. Develop highway overlooks.		Discourage informal trails.
20	Anderson Landing	3	Develop scenic overlooks. <u>Re-evaluate John Little Reserve for bluff-top access.</u>	Improve selected pullouts to provide parking and facilities. Post signs to nearest access point.	Maintain restriction on access at John Little Reserve. Re-evaluate access in future. Restrict access <u>in hazardous locations</u> and discourage informal trails.
21	Dolan Creek	3	Obtain <u>lateral and blufftop</u> access through permit process. Develop scenic overlooks.	Improve selected pullouts. Post signs to next access point, hazard warnings. Improve trails obtained through permits.	

ACCESS DESTINATION Map # Name	PRIORITY ²	PROVISION/ACQUISITION/MANAGEMENT OF ACCESSWAYS	IMPROVEMENTS	ACCESS CONSTRAINTS
22 Big Creek	<u>3</u>	Obtain access to beach.	Improve pullout for parking,	
23 Vista Point	-	Maintain Vista Point Overlook. Retain existing access.	Post signs to nearest access point, hazard warnings.	Discourage informal trails.
24 Gamboa Point	2	Obtain legal access on existing road.	Improve pullout for parking and scenic overlook.	Restrict access <u>in hazardous locations</u> north of Gamboa Beach.
25 Vicente Creek	-	Provide visual access at Vicente Creek Bridge.	Improve pullout at Vicente Creek for scenic overlook.	Discourage informal trails. <u>Limit</u> access to sensitive riparian and wildlife habitat.
26 Lopez Point	3	Obtain bluff top access. Provide visual access at several pullouts.	Develop trail with no interference to agricultural uses.	<u>Avoid conflict with grazing use.</u>
27 Lucia	-	Obtain bluff top access. Secure vertical access through permits.	Develop bluff top trail and scenic overlook. Improve parking at scenic overlooks.	Discourage informal trails.
28 Limekiln Creek	<u>1</u>	Maintain existing access at Limekiln Creek. Obtain bluff top access at Rockland Landing.	Improve trail and parking at Rockland Landing.	Discourage informal trails north and south of Rockland Landing
Los Padres National Forest:				
29 Kirk Creek	1	Maintain management of campground and beach.	Post signs for beach access.	
30 Mill Creek				

ACCESS DESTINATION Map # Name	PRIORITY ²	PROVISION/ACQUISITION/MANAGEMENT OF ACCESSWAYS	IMPROVEMENTS	ACCESS CONSTRAINTS
31 Wild Cattle Creek	3	Manage access across bluffs. Provide bluff top trails.	Improve one designated trail. Provide minimal improvements for safety and separation from agricultural use.	Discourage informal trail.
31 Pacific Valley	1	Manage use of area outside designated coastal units. Provide designated trail to bluff top.	Improve trail. Develop low level of facilities at bluff top trail.	Discourage informal trail.
33 Sand Dollar Beach	1	Manage impacts from heavy use and hang-gliding.		
34 Willow Creek	1	Maintain beach accesses.		
35 Alder Creek	<u>1</u>	Manage for grazing use. Retain bluff top access at current level. Develop scenic overlooks.	Post signs on nearest beach access. Improve pullouts and bluff top trails.	
36 Salmon Creek	1	Monitor informal use to determine resource damage and safety.	Post signs on nearest beach access and hazards.	Discourage informal trails.
	1	Maintain access at Villa Creek.
